Exhibitor & Sponsorship opportunities

Fantastic, limited, opportunity to speak directly with your target audience and a broad range of lighting professionals at an innovative event.

12 & 13 JUNE 2019 • NEWCASTLE

BOOK NOW!

The Professional Lighting Summit is the annual must-attend event for any lighting professional and includes our AGM. This year's Summit will take place on June 12 and 13 at The Life Science Centre, Newcastle.

The Professional Lighting Summit will include two full days of topical, relevant presentations from experts in all fields of lighting, combined with a comprehensive programme of interactive workshops.

Designed to meet the needs of today's lighting community, the Summit is packed with **CPD sessions, CPD workshops**, and includes a **small exhibition** within the networking and refreshments area. Demand will be high and we recommend early booking.

WHO WILL BE THERE?

The Professional Lighting Summit is **designed for all lighting professionals** – engineers, managers, contractors, designers, manufacturers and specifiers. The programme provides a high level of CPD, and delegate prices represent exceptional value, just £90 for a day delegate, which makes the Summit attractive and accessible for attendees from Local Authorities and the private sector alike.

Sponsor workshops

Meet delegates face to face and explain how you can help them

- Each sponsor has the opportunity to deliver a 30 minute workshop, repeated on both days
- You are free to design the content and style of workshop providing it is in line with the spirit of the event
- This could include a powerpoint presentation (screen, projector and laptop will be provided so please bring your presentation on a memory stick), handouts, or simply face to face discussions
- The room will be set up theatre style for 30 with extra chairs available
- If you would like to alter the room layout you are free to do so, so long as it is returned to its original state in time for the following workshop
- Your title and synopsis will be needed in plenty of time for us to promote your workshop

Floorplan

Displays must not be over **3m** in height.

Stand spaces are approximately **2x2m** and **3x2m**.

Your organisation is welcome to book multiple exhibition spaces if you require a larger area.
